Ethiopia, Germany, Moldova, Poland, Turkey, Ukraine, and of course Israel. Next year we will be traveling to the Russian Caucasus where there are several impoverished Jewish villages. I count it a huge blessing to have been able to spend almost half my life in service to the Jewish people. I am ever mindful of the fact that I could never have served my people were it not for your prayers, friendship, and faithful financial support. Some of you have literally supported us every month for 30 years! Please know that you are appreciated more than words can say. I thank G-d for each one of you and ask our loving heavenly Father to pour out heavens blessings upon you. Only eternity will tell the tale of the lives blessed and the souls saved because of you!
